

ALEMITE

NEW
14.4 VOLT LITHIUM-ION
GREASE GUN, SERIES 586

Alemite's new 14.4 Volt Lithium-Ion Grease Gun combines proven heavy-duty performance with lithium-ion battery technology.

Along with the same durable, ergonomic design common to all Alemite cordless grease guns, the new 14.4 Volt Lithium-Ion Grease Gun loads easily, primes quickly and delivers up to 15 cartridges per charge.

The result? More uptime and greater productivity in the shop, field and factory.

NEW 14.4 VOLT LITHIUM-ION GREASE GUN, SERIES 586

Powered by Li-ion technology

- 5X less self-discharge vs. Ni-Cd – store for months without losing charge
- Constant output for fade-free power
- 3X as many recharges
- Charge at any time for any duration with no effect on battery life
- Reduced environmental impact

Maximum power and pressure

- Up to 15 cartridges of grease per charged battery
- Check valve optimizes flow
- Top-of-class powertrain efficiency handles heavy loads easily
- 2.0 A/hr battery
- 10,000 psi

Robust reliability

- Glass-fiber-reinforced nylon housing for superior impact and wear resistance
- Patented airflow management system optimizes motor and transmission life
- Chrome-plated barrel for unmatched durability
- 60-minute charger monitors the battery during recharging to enhance life
- Handle includes tube guide and charge indicator

Easy, ergonomic operation

- Optimized shape, weight and balance for comfortable grip and less physical strain
- Convenient 3-way loading – cartridge, bulk or suction
- Patented automatic universal follower – no need to flip follower when changing loading methods
- 3-foot/1 meter ultra-flexible hose for maneuverability in tight, hard-to-reach spots

| Model No. | Charger Input | Li-ion batteries | Capacity | Cartridges per battery | Pressure | Flow | Weight |
|-----------|---------------|------------------|----------|------------------------|----------------------|------------------------|------------------|
| 586-A | 120 V/60 Hz | (1) 14.4V | 2000 mAh | 15 | 10,000 psi (690 bar) | 5.6 oz/min (159 g/min) | 6.3 lbs (2.9 kg) |
| 586-B | 120 V/60 Hz | (2) 14.4V | 2000 mAh | 15 | 10,000 psi (690 bar) | 5.6 oz/min (159 g/min) | 6.9 lbs (3.1 kg) |
| 586-C | 230 V/50 Hz | (1) 14.4V | 2000 mAh | 15 | 10,000 psi (690 bar) | 5.6 oz/min (159 g/min) | 6.3 lbs (2.9 kg) |
| 586-D | 230 V/50 Hz | (2) 14.4V | 2000 mAh | 15 | 10,000 psi (690 bar) | 5.6 oz/min (159 g/min) | 6.9 lbs (3.1 kg) |
